## President's Message

We are in the midst of making final preparations for this year's main fundraiser which is the golf tournament on Sunday September 17<sup>th</sup> at the Caledon GCC. Don't golf, no worries. You may still come out for the dinner portion and lend your support. View the website for further details and contact Chisty Bulsara at [bulsara.fc@gmail.com](mailto:bulsara.fc@gmail.com) to attend.

Multifold uses of our property will highlight where the proceeds will go. Take last month's Navroze function, attended by 150+ members. Just prior to this, many members were present during the observance of the Muktaad period throughout the five Gatha days. At the end of June and the start of July, we had the Scout's Annual Fundraiser after which the first ever Tirgan function at the ZRCC was held. Next came the 9<sup>th</sup> Annual Cricket Dhansak, followed by the Annual Picnic. These were back-to-back events taking place over successive weekends and drew out hundreds of folks, enabling them to enjoy our lovely 10-acre facility.

Yoga, zumba, lectures, parties, religious observances, scouts, sports and private functions are just some of the diverse array of events requiring frequent use of our property. Do the math and you will discover that thousands of people are using our facilities throughout the year.

Volunteers, scouts and the Facilities Management Committee all go to great lengths to ensure the facilities remain in excellent condition.

As you can imagine, this comes at a cost; \$75,000 annually in maintenance and upkeep expenditures.

As a result, all proceeds from the fundraiser will go to the General Fund.

Our growing numbers will continue to drive even greater traffic to our property. Your support will be significant in ensuring that we provide the best possible facilities for all to enjoy. Looking forward to seeing you at the golf dinner.

Cyrus Gazdar, OZCF President

## INDIA V PAKISTAN CRICKET GAME

July 24, 2017 marked the first India v Pakistan cricket game held at the OZCF grounds. The turn out was fantastic, with many new faces coming out to play Cricket. The two team captains, Kaivan (Pakistan) and Mahiyar (India) tossed a coin that was won by Pakistan. The Pakistan team, seeing favourable weather conditions and a flat batting surface, decided to bat first. The openers making a steady start, knocked of some quick singles with intelligent batting, leaving the big hitting middle order to come in. With some great batting and less then perfect fielding from the Indian, the Paksitan team made 170 runs off the 30 overs.

Confident of making those runs, the Indian openers also started off at a blistering rate of 7 runs and over. However, some tight bowling and excellent catching in the outfield, the middle order was left too much to do. The Indian team ended their innings on 132 runs, handing victory to the Pakistan team.

It is important to see so many people coming out for such events and having fun, meeting each other after some time and generally making the most of the OZCF field.

This being the trial run of this format, and being so successful , the sports committee will be organizing a best of three series next summer with a revolving trophy and some individual awards. Please keep reading the OZCF Newsletters and email blasts.

If interested in playing more cricket at the OZCF, please do contact Rumi Jasavala at [rumijas@hotmail.com](mailto:rumijas@hotmail.com)

## **Prayer and Nature —By Farida Bamji**

As dawn starts to break  
The woolly fluffy clouds give way  
Golden sun slowly stirring in his "bed"  
"Rubbing his eyes, slowly arising  
Wondering "what's my agenda today?"

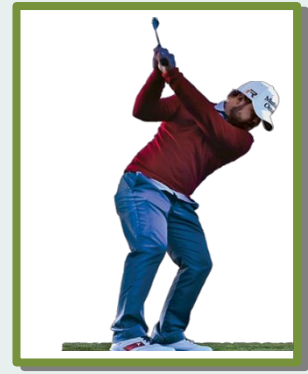

His "golden arms" stretching, streaming  
Through the branches of trees  
Various colourful birds  
Begin to "chirp" & "tweet"  
Fluttering their wings, singing in full throated ease:  
"Good Morning everyone!: May you pass your day in Peace"

Flowers of beautiful shapes and hues  
Wafting (Waving) to passers by saying  
"Good Day to you!"  
Emanating aromas attracting the birds & bees  
Enticing them to spread the aromatic "seeds" (Divine Message).

Our various pristine Prayers  
Gathas, Yashts, Afarghans etc.  
Are like assorted flowers  
Of colourful shapes & hues  
When recited sweet scented aromas  
Emanate from within  
Dispelling the gloom & doom

As said before pen may be more  
Powerful than the sword  
But the most potent of all  
Is the power of the Word!  
Choicest Happiness

## Canadian Jamboree 2017 (CJ'17)

A Jamboree is a large gathering of Scouts at a regional, national or international level. Since 1949, Scouts Canada has organised a national level camp every 4 years. This year, about 4,200 Scout-aged youth and leaders from across Canada met at Camp Nedooae, Elderbank, Nova Scotia from July 8–15.

Importance for a scout:

- Interact with Scouts from different regions, customs and cultures
- Meet, share and exchange their experience and impart knowledge to others

At this Jamboree, in Nova Scotia, 100<sup>th</sup> Oakville Zoroastrian Scouts group sent 14 scouts, which included 5 girls and 9 boys, and 4 leaders. The Jamboree was mostly represented by Scout groups from Canada, but some groups from other countries like New Zealand, Liberia, Scotland, England and Thailand did send a small contingent. They all came to celebrate Scouting and explore more, as to what it feels like to be and live the life of a scout. Some of our scouts even made friends with youth from a scout group from Kelowna, British Columbia.

The mascot for CJ'17 was Puffy the Puffin. In the **MAIN AREA**, there was a cut out and our group took pictures there.

At the Jamboree, there were 6 sub camps; Gold Rush was the sub camp for our scouts group. Our group was divided in to 2 patrols.

All members of each sub camp got special colored scarves with the jamboree emblem with a woggle and of course, a wrist band for onsite security. Our Gold Rush sub-camp scarves were orange.

Over the duration of the camp, our 100<sup>th</sup> Oakville group took part in many different activities such as:

- Silver Dart, where we learnt about remote controlled airplanes
- Geocaching, which is where our tracking skills were tested
- Hiking
- Catamaran 160 – making a raft using pool noodles and twine and all patrol members had to paddle and remain afloat
- Paddle Boarding – learnt basic skills and ways to stay on the board (and climb back on)

During the week, the camp had daily themes which we could follow. There was Suspender Sunday, Mustache Monday, Tacky Tourist Tuesday, Wild West Wednesday, Flag Friday.

An exciting personal activity at all Jamborees is Badge trading. Scouts would go around trading badges and get the bragging rights for the numbers and quality of badges collected. During any free time, Scouts would move around different sub-camps to try and get unique badges.

A typical day would be:

- ◆ Wake up, change and arrange sleeping bags and haversack
- ◆ Prepare and have breakfast; clean up
- ◆ Go to 1<sup>st</sup> activity
- ◆ Come back for lunch and clean up
- ◆ Get food for the next day
- ◆ Go for the 2<sup>nd</sup> activity
- ◆ Have some Snack
- ◆ Free time – interact with other groups
- ◆ Prepare & eat dinner; cleanup for the day
- ◆ Lights out

Learnings: Staying with fellow scouts for a week, one learns how to adapt to a situation, work as a team and share duties so everyone can be accountable as well as enjoy the wonderful experience.

## 2017 SUMMER PICNIC

The OZCF Annual Picnic had a change in venue for this year. Due to the high water levels, the Coronation Park had cancelled the picnic permits issued. The entertainment committee put their heads together and came up with a “Chalo Chowpatty” Chaat Picnic at the OZCF on July 16, 2017. During the afternoon, OZCF was rife with the smell of freshly made batata vadas and idli sambhar. This would not have been possible without the assistance of Himanshu and Daksha Shah, Yasmin Menon, Pilsa Desai who helped in making the pani puri, vadas and the Paapri chaat. The vada pavs were a big hit with the spicy chutney. All this was followed up with Biryani and Kebabs to top off the evening. The brought back pleasant memories of a typical evening spent on the Chowpatty beach with mouth-watering goodies.

## August 2017 Muktab / Navroze Write Up

In August, the Shahenshahi followers celebrated the Zoroastrian New Year 1387 YZ the world over. It was no different at the OZCF. It started with the 5 days of Muktab ceremonies where priests young and elderly prayed day and night during the holy Gatha days. The meals and the prayer items on the Gatha days were generously sponsored by the community. On Navroze, we had a Jashan followed by a sumptuous dinner.

The Jashan and Dinner were well attended with the hall packed to capacity. The Jashan was performed by our young mobeds, Armaan Panthaki, Hormuz Javat, Kevan Madan and Nekzad Illava. We are blessed as a community to have young mobeds to perform prayers for various functions. Many thanks to the Entertainment Committee (Shirin Chaturvedi, Zarina Gutta, Adil Bhesania and Jeroo Madan) and our community volunteers for making this event a grand success. This was followed by the Khordad Sal prayers five days thereafter. Khushroo Mirza, Xerxes Madan, Khushroo Bharda, Hormuz Javat, Nekzad Illava and Kevan Madan performed the prayers.

# **Asha Vahishta Seminar/Colloquium II: #1**

## **Reading Zoroastrianism from Christian Perspectives:**

### **Insights into Faith and Fellowship Development**

Join us for the recommencement of the Asha Vahishta Seminar Series colloquia. Having explored thematic issues of faith and fellowship over the last year, we now begin to move into specialized and focus topics where we will utilize our previous understandings and discussion as a lens of investigation.

One of the failures of all faith and ethnic communities is to remain self-absorbed, as part of their introspection process. It is likely that the range of options and answers become limited when one's view is restricted to the 'has been traditionally for us' realm. Broadening one's outlook with an understanding of other faith and sociocultural groups, allows for a deeper connection to one's own faith and fellowship.

Herein, we begin a series of lecture and discussion type seminars to determine what lessons Zoroastrians and Zoroastrianism can learn by way of a cross-cultural examination.

Our first session in this series will broadly deal with Christianity, and what insights into faith and fellowship development may be discerned from 'Reading Zoroastrianism from Christian Perspectives'.

**The 1<sup>st</sup> Session of Phase II is being held at the OZCF:**

**Title - Reading Zoroastrianism from Christian Perspectives**

**Date - September 30, 2017**

**Time - 1:00 pm onwards for 2-3 hours. Refreshments provided**

The lectures are run by the OZCF Religious Committee with **Dr. Neville Panthaki** leading the sessions in an interactive environment.

If you plan to attend please contact Ervad Nozer Kotwal at (905) 820-0461.

For those who would like to join in via **Skype**, please contact Ervad Xerxes Madan at [xerxes\\_madan@hotmail.com](mailto:xerxes_madan@hotmail.com)

A gentle reminder to participants to bring with them a pen. Paper shall be provided.
