PRESIDENT'S MESSAGE

"What you do today can improve all your tomorrows." – Ralph Marston

As we enter the fog end of another tumultuous year, we can look back with pride in having carried out activities on our property in a safe manner. This has been possible due to the precautions taken by our subcommittees and volunteers as well as the protocols being followed by our members in attendance. In fact, last month, we had to take the decision of mandating **double vaccination** for attendees aged 12 and above for any events being held on the property, in line with the provincial guidelines. Sincere thanks to the positive feedback from the membership when this announcement was made. It shows we care!

After a well appreciated **Volleyball tournament** organized in September, the **Sports Committee** held an exceptional **Soccer tournament** event on October 16. There were 8 teams and the games were played competitively with some wins determined on penalty shootouts. The positive feedback we received after, is motivation for the Committee to come up with more events where youngsters can get together and have a good time. A big Thank You to Dr. Adil Bhesania, Rumi Jasavala and their Committee members for these successful sporting events.

The annual **Jamva Chaloji** is scheduled for November 14. This ever-popular event organized by the **Fundraising Committee** has seen an increase in the number of vendors this year. Based on feedback from the vendors, it will be a curbside pick-up event only. Take advantage of the host of delicious items being offered and order by November 5 to avoid disappointment. Contact Jeroo Madan at (647) 339-0052 or jeroomadan@ozcf.com to place your orders.

The **2021 OZCF Sweepstakes** has the last 2 draws remaining. The winning ticket for the November 7 draw is for \$1,750/- Best Buy Card. And the Grand Prize worth \$3,300 will be drawn on December 12. Do not miss this great opportunity to win these fabulous prizes. We are really counting on YOU, for your support to help raise \$25,000 from the sweepstakes. Contact Jeroo Madan at (647) 339-0052 or jeroomadan@ozcf.com to book your tickets for the draws.

The **Youth** are looking for answers to **"Why do bad things happen to good people"**. A fire-side chat is planned with Mobedyar Khushroo Mirza, for November 27, to discuss as a group and get some understanding on the matter.

Finally, as always, we wish Tandarosti to our community. Stay Safe and Stay Well!

Ushtaa Ahmaai Yahmaai Ushtaa Kahmaachit! – Happiness to those who give happiness to others!

Xerxes Madan
President

ORIGINAL PROPERTY OWNERS

Ever wonder who the original owners of our property were? Well, they paid a recent surprise visit to the grounds where FMC Chair Hormuzd Engineer was on site to welcome them.

Shelley McCartney was born here in 1947 to her parents Wallace Whistance-Smith and Lillian Smith. She lived here until 1968 when she married Roy McCartney. They had two children, Jeff and Gary in 1971 and 1973 respectively.

Shelley, Roy, Jeff, his wife Sarah, and their two boys, Jack and Robbie visited the ZRCC on October 17th.

Seeing her house still there brought tears of joy to Shelley's eyes, reliving nostalgic memories of the place they once called home.

ANNOUNCEMENTS

HALL RENTAL RATES:

Please note new rates to rent the hall for social events. These rates are significantly lower than renting at halls and hotel rooms and allow members and non-members the entire use of our facilities.

Members: \$400

Non-members: \$500

Rental of Audio/Video equipment is \$100.

RATES TO ADVERTISE IN THE NEWSLETTER:

Members often inquire about rates to advertise in the newsletter. See the rate structure below:

Business Card	\$25 per issue	\$150 per year
1/4 Page	\$50 per issue	\$300 per year
1/2 Page	\$75 per issue	\$450 per year
Full Page	\$125 per issue	\$750 per year
Last Full Page	\$150 per issue	\$900 per year

If paid in full at the beginning of the year by the end of January, a 10% discount will be applied. There are six issues per year – January, March, May, July, September and November.

MEMBERSHIP:

A reminder to renew your membership for 2022. Please fill out and submit the attached membership form if there are any changes to your data.

HALL RENTAL RATES FOR FUNERAL SERVICES

Members: \$100 per day (over the 4-day period)

Non-members: \$150 per day

JAMVA CHALOJI

An annual favourite amongst members, the Jamva Chaloji event returns Sunday November 14. Stock up on all your goodies for the Holiday Season and let's all do our part in assisting our community's beloved food vendors.

The session will be a drive-through and pick up only. Order early to avoid disappointment. See flyer within this newsletter. **The link to the menu is as follows:**

RELIGIOUS EVENTS AND UPDATES

ZARTHOST-NO-DISO (F)

OZCF will be holding prayers for Zarthost-no-Diso, as per Fasli Calendar, on Sunday, December 26, at the ZRCC. The prayer ceremony will commence at 11:00 am.

Members wishing to attend in-person must give their names to Er. Nozer Kotwal at (905) 820-0461 or at nskotwal1@gmail.com in advance and **no later than Thursday December 23**. The prayers will be live-streamed, and members not attending in-person are encouraged to join in the prayers online. The link for the broadcast is www.ozcf.com at 11:00 am.

Please note – we will confirm the number of in-person attendees based on the provincial guidelines in place.

MAIDYAREM GAHAMBAR (F)

The R&L Committee will be celebrating Maidyarem Gahambar, as per Fasli Calendar, on Sunday, January 2, 2022, at 11:00 am at the ZRCC, 1187 Burnhamthorpe Rd. East, Oakville.

Members wishing to attend in-person must give their names to Er. Nozer Kotwal at (905) 820-0461 or at nskotwal1@gmail.com in advance **no later than Thursday December 30**. Attendees will be allowed in on a first-come basis and access limited to agreed numbers in the Hall. The Jashan prayers will be live-streamed, and members not attending in-person are encouraged to join in the prayers online. The link for the broadcast is www.ozcf.com at 11:00 am.

Please note – based on restrictions, we will confirm if chasni and lunch will be served. The cost of attending the Jashan & lunch is \$5.00 per person; children up to the age of 20 years are free.

If you wish to offer your home-made Malido, Ravo, Sev and/or dry-fruits, flowers, fruits, Sukhad, Loban, we ask that you make arrangements with Er. Kotwal in advance.

All members who come to the property MUST adhere to the laid down protocols (COVID-19 double vaccination, Screening Sheet and Instruction Guidelines), bearing in mind the volunteer has the right to refuse a member from entry if they feel the member could be endangering the health and safety of others.

As with all messages OZCF has communicated to the community, we remind our members that while these stipulations require us to carry out our engagements differently, we must adhere to them in order to enhance the safety of our members, volunteers and Mobeds. OZCF appreciates your continued patience and understanding.

YOUTH EXPLOSION

The Youth Committee continued their initiative to recognize Zoroastrian youth who understand the importance of giving back to the community and taking on leadership roles to strengthen our organizations.

Zoroastrian Youth of the Month for September was Adil Bhesania.

Apart from being a full time dentist, Adil Bhesania has been involved with the OZCF for many years as a volunteer where he has been committed to increasing youth engagement in the Zoroastrian community. He has previously chaired the Youth Committee for 2 terms and currently serves as a member on the Fundraising and Entertainment Committee, co-chair and Board Liaison for the Sports Committee, Board Liaison for the Bingo Committee and Vice President on the OZCF Board of Directors.

He has also been a Scout Leader with the 100 Oakville Zoroastrian Scouts Group since 2017 and served 1 term as Co-Chair of the Zoroastrian Youth of North America (ZYNA) Committee under FEZANA. In the Spring 2018 issue of the FEZANA Journal, Adil was

nominated as one of the "Emerging Zarthushti Leaders of North America". In 2018, he along with some other youth helped restart the Toronto Chapter of the World Zoroastrian Chamber of Commerce which had been dormant for some time.

In recognition for his work with the community, the OZCF awarded him a Volunteer Appreciation Award in 2018. We are immensely proud of his dedication and commitment to the community, and thank him for his services to the North American Zoroastrian community.

"Brush and floss ev... haha, just kidding. In exchange for a little bit of my time, I get to make new friends and hang out with old ones, create great memories and hopefully make the world a better place. It's a sweet sweet deal" – Adil

Zoroastrian Youth of the Month for September was Kamran Panthaki

Ervad Kamran Panthaki is a young Mobed who became an ordained Navar in 2008 and a member of the North American Mobeds Council. He has been an active member and volunteer in the Ontario Zoroastrian community from a young age. Kamran is currently studying the Avesta language under the tutelage of Er. Dr. Ramiyar Karanjia with a scholarship from NAMC. In recognition of his services to the community, he received the OZCF Volunteer Appreciation Award in 2016.

Kamran is a graduate in BTech with Automation Engineering from McMaster University.

We are very proud of Kamran and extremely pleased to recognize his services to the Ontario Zoroastrian community.

“The soul becomes dyed with the colour of its thoughts” - Marcus Aurelius

FOOD DRIVE

As per tradition, the Youth Committee once again held a Food Drive during the Mukhtad prayers and through to the end of summer. As always, our community donated generously and we filled an entire trunk full of food for the Oakville Fareshare Food Bank. The volunteers at the food bank were pleasantly surprised and very appreciative of the amount of food donated. Unfortunately, due to COVID-19 this year, the food bank did not allow volunteers inside to help sort and package food, but we hope to be able to take more volunteers with us next time.

SPORTING UPDATE

The Sports Committee made a huge comeback over the past few months. As has been the case with nearly all subcommittees, COVID induced restrictions on numbers of people gathering has curtailed many an activity at the ZRCC.

With restrictions easing, the Committee hurdled these impediments and raced forward to hold three highly successful events in a matter of a couple of months.

If you're a fan of recreational exercise, you'll no doubt recognize the power of sport and its ability to bring people together of all ages, promote good health and partake in physical exercise. As Nike says: "just do it!" and read on!

OZCF 2021 Cricket Dhansak (August 22nd)

After missing a year in 2020 due to COVID, the OZCF held its 12th Annual Cricket Dhansak event in Brampton. This was the first year since its inception at the OZCF, that it was held outside of the OZCF facility.

A good showing of 26 players and two umpires (Xarius & Rumi Jasavala) for the game, made it a great summer's day of cricket. With the temperature approaching 32°C, two full-sided teams played a 30 overs game. With a mixture of some young blood (ages 12 and 14) the teams were selected to make two balanced sides.

Prior to the main game, the OZCF Sports Committee arranged an hour of introduction to cricket for some of the young up and coming players Shiraz, Nina and Noah Mulla. They thoroughly enjoyed playing and showed some natural talent & athleticism for the game. The main match was an exciting game amongst the talented Zoroastrians with the usual comments of encouragement and banter.

In the end, one team won by 2 runs when the losing team needed 6 runs off the last ball.

However, both teams and all those that took part were winners. With a good turnout of over 39 people, we ended the evening with Dhansak made by Prochi Gazdar at the OZCF on the patio.

Anyone interested in getting their kids involved or introduced to cricket in a fun environment, please do not hesitate to reach out to Rumi Jasavala at rumi_jasavala@ozcf.com

OZCF Volleyball Tournament 2021 (September 11th)

With limits on gatherings at our property relaxed in the later months of summer, the Sports Subcommittee organized a volleyball tournament in September which was very well received and attended, surpassing expectations. It was open to all and about 50 players registered to play ranging in age from 10-year-olds to over 70.

Two grass volleyball courts were setup on the OZCF property. Players were split up into 6 teams of 8 players each and divided into 2 groups where everyone played everyone within their group in a round-robin format and then based on rankings proceeded to the knock-outs.

With registration from 12 noon to 12.30pm, the 54 players were grouped into 8 teams placed in 2 Groups. The tournament started off with group games where each game was 12 minutes long. At the end of the 12 group games, the standings were as follows where each team made the knockout rounds. All scores and standing were updated on the website using an application for real times results.

Two grass volleyball courts were setup on the OZCF property. Players were split up into 6 teams of 8 players each and divided into 2 groups where everyone played everyone within their group in a round-robin format and then based on rankings proceeded to the knock-outs.

Most individuals registered as spectators had joined in during the knockouts phase of the tournament, so there was lot of crowd support for all teams with loud cheering. The semi-finals, third place match and final were close affairs with all matches going the full 3 sets. After the games all players and spectators had a delicious meal. The entire tournament was appreciated by all and we received lot of positive encouragement and feedback from everyone asking for more such tournaments. The idea to have a soccer tournament next came up during the feedback from participants and we immediately went into action to have that as our next event!

OZCF Soccer Tournament (October 16th)

The Sports Committee hosted a 5-a-side outdoor soccer tournament on the green grounds of the ZRCC property on October 16th. In the lead to the event, seven days of hard work preparing two 5-a-side fields was undertaken with precision and care.

In order to get a rainbow, you must be able to deal with the rain. Rain is what we had on the day before and the day of, but this did not stop the tournament.

Group A

Group B

Standing	Team	Points		Standing	Team	Points
1	Team Sali Boti	9		1	Team Patra ni Machhi	13
2	Team Kabab	9		2	Team Akuri	8
3	Team Dhansak	7		3	Team Rotli	7
4	Team Farcha	4		4	Team Kachuber	4

The knockout stage results were as follows:

Quarter final 1: Team Sali Boti beat Team Kachuber 3-0

Quarter final 2: Team Dhansak beat Team Akuri 1-0

Quarter final 3: Team Rotli beat Team Kabab 2-1 (in an excellent well contested penalty shootout)

Quarter final 4: Team Farcha beat Team Patra ni Machhi 1-0

Semi final 1: Team Sali Boti beating Team Dhansak 3-0 and

Semi final 2: Team Rotli beating Team Farcha 2-0

A third place playoff game was held with Team Dhansak beating Team Farcha 3-2. After 19 well organized, contested and fun matches, we came to the Final which was between Team Sali Boti and Team Rotli.

FINAL:

The 20th and final game of the tournament lasting 20 minutes, saw some tired players trying extremely hard and the level of play was exciting and fun for the spectators too. Team Sali Boti were victorious, winning the final 2-0.

The day ended with dinner for players, spectators and guests where we saw a turnout of around 85 people.

The OZCF Sports Committee had worked extremely hard prior and during this tournament to prepare the facility for these safe games and ran a smooth, well-organized tournament. Your Sports Committee is made up of Adil Bhesania, Cyrus Gazdar, Kevan Madan, Rumi Jasavala, Tauzer Dalal, Xarius Jasavala and we continue to bring some sports events despite the restrictions of Covid. We would like to thank everyone for complying with the OZCF vaccination policy and compliance in showing us your proof of vaccine.

The eldest player taking part was Firdousi Wadia (age 74) and the youngest was Ava Ginwalla (age 10). It is very heartwarming to see participants across a wide range of ages. Referees for the majority of the games were Rohmin Raisi and Rumi Jasavala, with Xarius refereeing the semi-final and final games.

Runners up 'Team Rotli'

Left to Right

Farhan Ghandhy, Yazad Karai, Khush-roo Bharda, Cyra Asli, ROhaan Kotwall and Jimmy Bhagwager

Winners 'Team Sali Boti'

Left to Right

Mahiyar Panthaky, Naushad Godrej, Vahaan Nagarwala, Sasha Appoo, Zara Mavalvala and Zane Tengra

With winter about to come in and COVID guidelines being updated, the Sports Committee will move its focus to organizing some indoor events in the upcoming months. We hope everyone can join in regularly to help develop friendships, stay healthy and continue with our Zoroastrian sporting culture at OZCF.

ACCOMPLISHMENTS

Follow the success story of Toronto-raised Rayomand Khambatta who couples his passion for cars and horses, turning both into viable ventures. OZCF is proud to share the current Parsiana article highlighting Rayomand's success.

To ensure that AIB functions optimally, the board oversees the activities of the international chapters and special interest groups such as Research Methods Group and the Emerging Markets Group.

Contractor is further expected to preside over efforts to secure additional funding from foundations and Centers for International Business Education and Research (CIBER) aided by the US Department of Education to promote AIB's presence in Asia, Africa and Latin America.

Distinguished Professor in the Management and Global Business Department at Rutgers Business School, Contractor's research has focused on foreign direct investment, in particular the negotiated, inter-firm aspects of international business such as alliances including joint ventures, licensing and negotiations between investors and governments. Having already served a

prior term on the AIB's executive board from 1992 to 1994, he was included on the executive board of the Academy of Management's International Management Division from 1995 to 2000, according to his bio data.

Rated by several surveys as among the top-ranked contributors of scholarly papers to his field, his globalbusiness blog has been read by persons from 172 countries. His note to viewers specifies: "This site will dig deep, occasionally question conventional wisdom, and provoke thought in a fresh, even-handed manner that encourages discussion. For example: We read that a frighteningly high amount of US Treasury debt is held by foreigners. Should we be worried about that?... We read that multinational corporations massively avoid taxes, to the tune of trillions, over the decades. But if governments offer them loopholes, is it their duty toward shareholders to take advantage of legal loopholes?..."

At Rutgers he has assumed varied roles: chaired or been on the supervisory committees of 19 doctoral dissertations on International Strategic Management topics; been chair for the International Business Department; research director of CIBER; been coordinator for the PhD program in International Business, the

Dean's Leadership Council, International Study Program and other initiatives. He has taught at the graduate level and conducted executive seminars in the US, Europe, Latin America and Asia.

A graduate in mechanical engineering from the Bombay University, Contractor completed his Masters in industrial engineering from the University of Michigan and then earned his PhD and MBA from the Wharton School, University of Pennsylvania. Holding the Fulbright Fellowship and Unilever Fellowship, he has written over a hundred scholarly papers and authored/edited 11 books in his field of specialization.

Whilst keeping a vigilant eye on international business trends, Contractor makes time for his avocations that include canoeing, history and restoring antiques.

Relentless restorer

The reflection of the viewers admiring Rayomand Khambatta's transformed automobile was visible in the gleaming red beast, named "The Kraken." The space around his vehicle at the Custom Show Emirates (CSE) in Dubai this year was so crowded that security had to be summoned to disperse the onlookers. Described as "a monster of a car," Khambatta's entry earned the 40-year-old Canadian car builder the Custom Made Car 2021 Award.

Started six years ago to encourage car and bike enthusiasts to display their

works, and showcase their talent among each other and the public in diverse fields like styling, tuning, vehicle safety, after-market products, mechanical spare parts and automotive cosmetic parts, CSE is the leading automotive customization exhibition in the Middle East region. Participating in the Show alongside Khambatta in April 2021 were nearly 170 exhibitors whose vehicles were appreciated by around 29,000 visitors from 17 countries, according to their website.

After purchasing the 1200 horse power seasoned Chrysler 360 in 2017 in Chicago, Khambatta shipped it to the UAE where he could bestow it with "some desperately needed TLC (tender loving care)" to give it a retro classic look. Classified as a "resto-mod (restored cum modernized)," aesthetically the vehicle retains its original features until one looks under the hood to find new ones. Modification of resto-mods is generally undertaken to comply with emission standards, incorporate safety features, to enhance performance or improve fuel efficiency.

Engraved towards the front of the 72 Dodge Charger engine are the words: "Created for Khambattas, Pundoles, Moghuls, Divecha, Vandrewalas." In an interview shared on YouTube, the car enthusiast mentioned, this is "a tribute to my family."

"Ever since I can remember, restorations have been my passion," conveyed Khambatta. "I couldn't draw much but it

continued on page 38

Top: Dr Farok Contractor; below and

alongside: Rayomand Khambatta with "The Kraken"

ZOROASTRIANS ABROAD

continued from page 14

only took me a few moments to envision the completed project in my head and start building by hand.” With the encouragement of his Toronto based parents Kersi and Nergish, he launched his first resto-mod at the age of 17 and painted his first car at 19. Recalled Kersi, “Initially he repaired and modified some cars in our Town House driveway, learning online. Even in winter he continued working. I remember him putting his socks and gloves in the microwave to keep himself warm. That was his dedication.” Rayomand enrolled at the Devry Institute of Technology when he was 20 and two years later joined Seneca College, Toronto’s leading Automotive Engineers Center College. His accomplishments were brought to *Parsiana’s* attention by Meher Panthaky, former director of the Ontario Zoroastrian Community Foundation.

Starting with small retailers he moved to bigger dealerships like Ford and BMW where he noticed a need for better customer service. That led him to open his own garage which he named Ray’s Hi-Tech Auto. “For a time I had a zero dollar budget,” recalled Rayomand. Initially

he purchased accident cars from auctions or discarded kitchen equipment that he used for modification but as his sales and client listings got impressive, he earned the attention of local authorities who described him as a “curbsider (an unlicensed dealer or retailer who makes a profit from vehicles that have been in his possession for a very short time)” on the local news channel. With his father convincing him that “there is no such thing as bad publicity,” Rayomand managed to put the negativity behind him to emerge as a reputed mechanic and car designer cum builder.

He currently works out of the warehouse of his uncle Firoze Vandrewalla, owner of Wings industrial products in Dubai. Rather than seek new designing ideas from catalogs, Rayomand prefers to draw inspiration from the wild imagination of his cousins and is now gearing for the ECS Battle of the Builders promoted by the Young Guns division where car builders under 40 years of age are encouraged to compete alongside industry veterans. The qualifiers will be held exclusively online with three events in March 2022. The virtual corrals will be

Khambatta on his mount

held via Zoom where young participants will be given 10 minutes each to pitch their skills and highlight their entry. The winning golden ticket package includes a cash prize and bragging rights (an entitlement to boast about something) to be an all-time

winning builder.

Once a homeland security analyst working a day job for Singapore Defence, over the years Rayomand has dabbled with data center construction, advanced three dimensional printers, and is now aspiring to be an endurance trainer for Arabian horses. “There is always an opportunity to learn,” he is convinced.

A firm believer in artistic creativity that could impact millions, on his website his provocative mantra enunciates: “Pursue passions, not paychecks; be crafty, lovable, systematic and relentless; don’t take yourself too seriously; learn every day; believe in change; prioritize the customer; invest in ideas that matter; be lazy and dumb!”
