PRESIDENT'S MESSAGE

"When we strive to become better than we are, everything around us becomes better too."

– Paulo Coelho

How wonderful it is to be out and about, enjoying the warm summer months, and getting together with friends and family. Albeit with some restrictions and safety measures. We are still not out of the woods, and I sincerely encourage our members to follow the safety protocols laid down by the province and region.

We are one step closer in our goal to build the Atashkadeh on ZRCC grounds. I am pleased to report that the Place of Worship Advisory Committee has submitted our revised Site Plan Approval (SPA) application to the Town and other agencies for review and approval. A full update is available on Page 2.

August was the month of the Shehenshai Muktd, Navroze and Khordad Sal. It felt like old times as the laity could attend in-person and partake of meals in a community get-together. Although numbers were restricted, the attendees enjoyed meeting friends after the long hiatus. A sincere thanks to all the donors, our volunteers and the Mobeds. And you, our members, who attended and ensured the events were held safely. OZCF recognized the voluntary contributions of the young Mobeds, the future torch bearers of our religion. A detailed write-up is available on Pages 3-6.

Your Fundraising Committee also hosted a well-attended and fun-filled **Lamb Roast Picnic** on August 29th at our picturesque ZRCC property. As in-person attendance was restricted, an option for curbside pick-up was also provided. Stay tuned for more events over the next few months.

The Youth Committee held a Games Night for the Youth on August 21st at the ZRCC. It was good to see over 20 youngsters take part and enjoy themselves.

OZCF will be holding the Farvardegan (S) prayers on September 3rd at 7:00 pm and the Dasturji Kookadaroo Baj on September 4th at 11:00 am, at the ZRCC Hall. In-person attendance is limited and the prayers will be live-streamed; the link for the broadcast is www.ozcf.com.

The 3rd draw of the **OZCF 2021 Sweepstakes**, the Spring Fundraiser Raffle event, will take place on September 4th at ZRCC hall at 12:30 pm, after the Dasturji Kookadaroo Baj prayers. The draw will be live-streamed and the link is www.ozcf.com. The winning ticket will receive a **Visa Card** of **\$750**. The Sweepstakes will be running over the year, with draws every month. Do not miss this great opportunity to win some fabulous prizes. We are really counting on YOU, for your support to help raise \$25,000 from the sweepstakes. Check out the flyer in this Newsletter. Contact Jeroo Madan at (647) 339-0052 or jeroomadan@ozcf.com to book your tickets for the next draws.

Finally, as always, we wish Tandarosti to our community. Stay Safe and Stay Well!

Ushtaa Ahmaai Yahmaai Ushtaa Kahmaachit! – Happiness to those who give happiness to others!

PLACE OF WORSHIP ADVISORY COMMITTEE UPDATE

We are pleased to report that our revised Site Plan Approval (SPA) application has been submitted to the Town and other agencies for review and approval. This approval period will take approximately six weeks. In the meanwhile we are finalizing the interior and exterior designs with the consultants as well as specification documents for tendering, which we propose to send to contractors during the SPA period. Concurrently we will work on the Building Permit application and propose to submit this together with the final drawings while SPA is being reviewed. We will review contractor proposals and decide on a final contractor through negotiations.

As standard procedure, SPA will be conditional on us providing the town certain deposits, development and permit fees and refundable performance security to ensure we complete the construction according to specifications.

Upon receiving Site Plan Approval and tender prices, and before we submit any deposits or fees, or make any commitments with the contractor, we will meet with the community to discuss moving forward steps prior to construction. As the community is no doubt aware, over the past 18 months, construction prices have increased significantly due to Covid, resulting in a short supply of materials and labour. As previously mentioned, we undertook an intensive value engineering exercise over the past year to reduce costs significantly. We anticipate costs to come in lower than the original bids at the start of Covid, through our design adjustments. However, based on our extensive market intelligence and meetings with various contractors and architect, we know that our pricing will still come in higher than what we budgeted.

We will develop a strategy to present to the membership on procuring the necessary finances and looking to the membership to generously contribute to cover the shortfall. The final decision will rest with the membership on how it wishes to proceed. We will keep the board and membership apprised of progress over what will be a busy upcoming 8 – 10 weeks.

May Ahura Mazda always bless our community.

Phil Sidhwa

Chair, PWAC

NEXT GEN MOBEDS HAVE HANDS GRIPPED FIRMLY ON THE TORCH

Members who attended the Navroze Jashan in person and online on Monday August 16th witnessed history-in-the-making as the Jashan was performed entirely by our younger Next Gen Mobeds.

The past few years have seen these young men taking it upon themselves to perform various Jashans entirely amongst themselves without the assistance of any senior Mobeds praying alongside.

You often hear stories of communities in North America of Mobeds travelling hundreds of miles to pray at events or of members having to travel long distances to attend prayers because there aren't any Mobeds to perform them where they are located. How fortunate then are we at the OZCF? Not only do we have many Mobeds, but we are most fortunate to have within our fold many younger ones who will need to continue following and filling the large shoes of our senior Mobeds in performing various liturgical duties.

A poignant reminder to our readership that these are proactive, diligent, studying and/or working full-time, young men who voluntarily give up their time to service our growing community.

Check out these dynamic individuals:

Nekzad Illava was ordained a Navar in 2014 at the Bai Motlibai Wadia Agiary in Jogeshwari, Mumbai. He is the only young Mobed in Canada to have been ordained a Maratab in 2017. Nekzad is one of the Mobeds from OZCF of the three young Mobeds from North America learning the Avesta language under Dr. Ramiyar Karanjia with a scholarship from The North American Mobeds Council (NAMC). Nekzad starts his university journey this September, at Queens, majoring in Psychology.

Rohaan Kotwal is second from left and Nekzad Illava is beside him

Rohaam Kotwal was ordained a Navar in 2000 at the Vatcha Gandhi Agiary in Gamdevi, Mumbai. He completed his Hospitality & Travel program and Business Management from Niagara College in 2019. Currently, Rohaan is working with The Travel Corporation and resides in the Niagara region.

Armaan Panthaki was ordained a Navar in 2008 at the Rustom Framna Agiary in Dadar, Mumbai. He graduated from McMaster University in April 2021 in Mechatronics Engineering. He is currently working at Dofasco Steel.

Farhan Panthaki was ordained a Navar in 2004 at the Rustom Framna Agiary in Dadar, Mumbai. He graduated as a Mechanical Engineer from the University of Waterloo in 2015 and currently lives in Cupertino, California working for Apple, the world's largest firm by market capitalization. In addition to performing prayers when he returns home, Farhan also performs ceremonies in the US whenever needed.

Just like his two brothers Armaan and Farhan, **Kamran Panthaki** was ordained a Navar in 2008 at the Rustom Framna Agiary in Dadar, Mumbai. A graduate in BTech with Automation Engineering from McMaster University in December 2019, he is currently on a contract with Humber River Hospital whilst actively seeking full-time employment. Kamran is the second Mobed from OZCF of the three from North America learning the Avesta language under Dr. Ramiyar Karanjia with a scholarship from NAMC

Kevan Madan was ordained a Navar in 2009 at the Rustom Framna Agiary in Dadar, Mumbai. He graduated from Western University in April 2020 majoring in Media, Information and Technology, and Political Science. Kevan is currently working as an Associate at RBC Wealth Management and will soon be enrolling in the Sports & Event Marketing program at George Brown.

Hormuz Javat was ordained a Navar in 2012 at the Vachha Gandhi Agiary in Gamdevi, Mumbai. He is currently working as a co-op at Enbridge as part of his Electrical Engineering program from Ryerson University.

Rushad Bharda was ordained a Navar in 2006 at the Iranshah in Udwada. He graduated from Humber College in 2015 and served for 5 years as a Reserve in the Canadian Armed Forces. Currently, Rushad is working with the provincial government.

Proof indeed of enterprising young men who are balancing the needs of our community with their busy lives. It was only fitting to reward these fine young men with token gifts at the Navroze Jashan. Private donors were keen to contribute for gifts so that OZCF did not have to dip into its General Funds.

We often pray for Ahura Mazda to bless our community. Here's living proof of the power of prayer and how truly blessed we are as a community!

Whilst our senior Mobeds continue performing numerous liturgical services, we are indeed witnessing history with the torch being gradually passed as our Next Gen Mobeds have their hands firmly pressed upon it and in prayer.

KHORSHED JOBANI 100TH BIRTHDAY CELEBRATION

Khorshid Jobani's 100th birthday was celebrated with style on July 11th with immediate family as no more than 25 people were allowed to meet because of COVID. She was greeted by all her great grandkids with rose petals and then ovarni and har. She was toasted by all with champagne and her great granddaughters played the guitar and sang for her. She is loved by all and a great example. The next day there was a drive by for her, where all her friends and loved ones came to honour her.

The Ontario Zoroastrian Community Foundation joins Zoroastrian organizations across the continent in ringing golden bells celebrating the Zoroastrian Society of Ontario's 50th anniversary.

The ZSO is amongst the longest established Zoroastrian associations in North America having influenced many Zoroastrian organizations which subsequently formed in communities across the continent.

Numbering over 6000 Zoroastrians in the Greater Toronto Area, the ZSO along with its sister organization the OZCF, serve one of the largest Zoroastrian communities in the diaspora outside of India and Iran.

As our current Boards continue espousing values of cooperation and mutual respect, we look forward to working with the ZSO to collectively service our growing communities and demonstrate that through collaboration and esprit de corps, we will continue to be a focal Zoroastrian community within North America and the world.

On behalf of all our members and the Board, we wish you heartiest congratulations as you commemorate your milestone 50th anniversary!

YOUTH EXPLOSION

The Youth Committee continued their initiative to recognize Zoroastrian youth who understand the importance of giving back to the community and taking on leadership roles to strengthen our organizations.

Zoroastrian Youth of the Month for July was Anahita Katila.

Anahita Katila, has been a long time member and volunteer in the Zoroastrian community. Much like the rest of her family, her involvement in the community started at an early age through small acts such as helping out at Zoro events.

Over the years, Anahita has been a part of the OZCF Youth Committee for two terms. She was a part of the fundraising campaign organized by the OZCF Youth to help subsidize costs for participants of the Youth Congress in LA in 2019. One of her most memorable volunteering efforts would have to be her long time involvement as a Teacher's Assistant at religion class. Since 2012, Anahita has worked closely with the youngest class of 7-8 year old Zoroastrian children, in an effort to convince them that religion class can be fun for more than just the pizza served at the lunches there (the jury is still out on whether she's been

successful).

As an HR professional, she loves helping local youth with job searches, resume critiques, interview preparation and job advice. In early 2020, she was a Panelist on the 'Leveraging LinkedIn' discussion for the community which received a lot of appreciation.

We are very proud to recognize Anahita for all her volunteer work to the Ontario Zoroastrian community.

"I've always believed in the notion that everything happens for a reason. What's meant to be yours, is already yours...it can never miss you. Nothing, and I mean NOTHING in the universe can stop you from having it. And likewise, what misses you, was never really yours. Some of the best opportunities or people came into my life at a point where I thought I had failed or lost something, when in reality the universe was making room for even better things. So trust the process, and learn to let go of some things that are not meant for you" – Anahita

Zoroastrian Youth of the Month for August were our Young Mobeds.

"All the flowers of all the tomorrows are in the seeds of today."

As we inch closer to the Place of Worship becoming a reality, our future looks very bright and promising. At the Navroze Jashan, the community witnessed the future of the clergy of OZCF as 5 young Mobeds performed the Navroze Jashan ceremony.

During the past Muktdad days and for a few years now, the young Mobeds of OZCF have actively volunteered for different prayer ceremonies, while juggling the responsibilities of school and/or their professional careers.

As an organization, we are truly blessed to have so many dedicated youth in our community who proactively step up and volunteer their time and effort to carry on our religion and traditions.

This month we would like to recognize all the young Mobeds of OZCF.

Keep an eye out on this space as we highlight them one by one in the upcoming months.

YOUTH GAMES NIGHT

On August 21st the Youth Committee hosted a fun filled games night at the OZCF. With an attendance of over 20 youth, it was exciting to reunite with old friends and enjoy an evening of sports and games with many new faces. Starting with table tennis and the old school game of 'kho kho' we enjoyed the great weather we were fortunate to have, and then transitioned to the crowd favourite trivia.

DAR-NI-PORI FUNDRAISER

The OZCF Fundraising Committee had the dar-ni-pori event on July 25th. The dar-ni-pori is a traditional Zoroastrian delicacy prepared as a tea-time snack. This event was planned as part of various fundraising efforts by the OZCF. The idea was received with an enthusiastic response from the community, which was evident in the large orders that were received.

Since Wednesday July 21st, the Committee chefs prepared the dal and the pastry and cooked the poris, while wearing masks and gloves and maintaining physical distancing. The other volunteers packed the poris in boxes ready for curbside pickup on Sunday, July 25th. The youth volunteers delivered these boxed meals to the ZSO too.

It was a wonderful experience to work together and still be able to follow social distancing and follow provincial protocols.

LAMB ROAST

The OZCF Fundraising Committee held the Annual Lamb Roast picnic on August 29, 2021 at the ZRCC grounds. The event was met with a lot of enthusiasm from the community. It was held as an in-person as well as a curbside pick-up event. Individual boxes were prepared for all attendees ensuring the event was held under the provincial guidelines. Everyone enjoyed a delicious meal of Roast Lamb, Chicken Schnitzel, Salads, Buns and dessert. After the hearty meal, it was time to perk up and participate in some games like Musical chairs, Bingo and Horse Racing. It was heartening to see one and all, from the youth to our always young seniors, enjoying the games.

BINGO

Just a little info on what's happening at Oakville Delta Bingo. Two weeks ago the Delta Bingo Hall started out slowly with only 1 game on Friday to Sunday. The cost and prize money did change due to the low number of customers allowed on the premises. Since the weekend, the Bingo Hall has invested in plexiglass dividers to make their guests feel safe while enjoying the game and their capacity has gone up to 140. Building up Bingo is going to take some time before we can go back to 3 or 4 sessions a day. Please support the Oakville Delta Bingo Hall and help our community and charities. Thank you Oakville Delta Bingo and OLG for helping us through a very difficult time.
