## PRESIDENT'S MESSAGE

These are unprecedented times. Our long-awaited vision of building our own Atash Kadeh is finally becoming a reality. All of us at OZCF have never undertaken a project so big, but we have a very competent team of volunteers on the Place of Worship Advisory Committee (PWAC) who under the leadership of Phil Sidhwa have done a phenomenal job.

On 24 September 2023, we witnessed a beautiful land blessing Jashan and Baj ceremony performed by 16 Mobeds and Mobedyars at the site of the Atash Kadeh. It was very pleasing to see a lot of youth Mobeds participating in the Jashan and the prayers were also led by youth Mobeds. After the Jashan, we had the North American Mobeds Council (NAMC) President Ervad Tehemton Mirza honor two of our senior priests Ervad Nozer Kotwal and Ervad Jal Panthaky with a shawl for their long-term services to the Zoroastrian community in Ontario.

Construction on site is going ahead at a rapid pace, and we are on schedule and on budget. Please see the detailed construction update email sent on 20 October 2023 titled "Place of Worship Construction Progress" for a detailed explanation from Phil on how the project is progressing. An update from PWAC is included below as well. We will continue sending out regular updates with pictures as we continue. You can also view a live video feed of the construction on our website [www.ozcf.com](http://www.ozcf.com). If you wish to visit the construction site for a tour, please contact either Phil or myself.

On 11 November 2023, we are having our Place of Worship Fundraising Gala at the Mississauga Convention Center. As we discussed at the Extraordinary General Meeting (EGM) held in August, we can complete Phase 1 of construction with the available funds and need to fundraise more to complete Phase 2 of construction. The upcoming Gala is our biggest fundraiser to help us cover the shortfall. I urge all of you to join us on 11 November 2023 at the Gala and donate generously as we continue building the Atash Kadeh and future Atash-e-Adaran.

On 26 November 2023, it is again the time of the year to stock up on delectable goodies as the Fundraising Committee is organizing the annual Jamva Chalo Ji Fundraiser. It will be pick up only as due to construction on the property, our

parking space is extremely limited. Flyer and Menu have already been sent out so please place your orders soon. On the same day, the Youth Committee is partnering with ZYNA (FEZANA's Youth Wing) for Attitude of Gratitude 2.0, a food and clothing donation drive. Food banks are undergoing a severe food shortage as more and more people are starting to rely on them. Please donate food and gently used clothing items generously. The Youth Committee also manages a food donation box year-round at the property. We encourage everyone visiting the property for Ghambars and Jashans to bring one non-perishable item with them.

Hoping to see you all on 11 November 2023 at the Gala.

Sincerely,

Dr. Adil Bhesania

## PLACE OF WORSHIP ADVISORY COMMITTEE UPDATE

### **CONSTRUCTION**

**With construction having begun for our Place of Worship, we will not be renting out the hall until all construction has finished, bearing in mind the safety of our members and volunteers.**

As a community we are thrilled at the start of construction of our Atashkadeh in September. Construction is progressing well, on-time and on-budget. That consecration and Baj ceremony must have helped with smooth operations! We updated you in our recent summary activity report on project milestones (Table below).

#### **PHASE 1 CONSTRUCTION SCHEDULE:**

Item	Start Date	Completion Date
Foundation Walls – Form and pour	Oct 16	Nov 3
Waterproofing/Weeping	Oct 12	Nov 10
Backfill	Oct 23	Nov 13
Excess Fill Relocation	Oct 23	Nov20
Structural steel plates	Oct 23	Nov 1
Masonry	Oct 23	Dec 1
Structural Steel	Dec 1	Dec 10
Roofing	Dec 10	Jan 10
Start Site Servicing; Grading; stormwater	Oct 27	Nov 30
Start Electrical	Nov 1	Dec 31
Start Stucco/Exterior	Dec 1	Jan 15

The schedule above is subject to change.

I wanted to talk about project execution details. Each of these items, as simple as they look, Involves an array of activities that are co-ordinated carefully by the contractor and team - from review of drawings with the architect, engineering consultant approval, performance of actual work in sequence, to inspections by the Town and construction consultant. Provincial Ministry of Labour and Ontario building code requirements, along with Town building permit rules must be followed at all times, and inspectors arrive at the site unannounced and frequently. We have developed a good system internally to manage all of this. For example, when pouring the concrete in the forms, the typical concrete mix is made up of roughly 10% cement, 20% air and water, 30% sand, and 40% gravel.

This is called the 10-20-30-40 Rule. It must be poured within 90 minutes of arriving at site and before 300 tub revolutions after water was added to the cement. The construction consultant inspector monitors this and takes samples from the cement truck to ensure good quality. The Town inspector ensures the forms and steel rebar is placed correctly and in the right amount.

On the financial side, a bi-weekly payment certificate is issued by the contractor for payment. This is first approved by the architect to ensure labour and materials are as quoted in the work estimate. Together with the payment certificate, the contractor provides us his invoice, billing details, WSIB certificate and Statutory Declaration. This is then reviewed internally by us and signed off by our construction manager Fred and approved by me. This is then provided to the OZCF President and copied to PWAC and the OZCF Treasurer for approval and cheque issuance. Our Treasurer keeps track of invoices and payment certificates and amounts of payment. At every step we have a system of checks and balances to ensure project success and proper audit protocols are followed. Fred, Marzi and I have formal meetings weekly on-site and speak almost daily with the contractor and architect on project updates and any issues. In this way project execution is foolproof to ensure nothing goes off the rails, and if it should, we can identify and remedy it quickly.

With many expert consultants and contractors engaged in project execution, we can assure ourselves that the work is performed in accordance with strict regulatory and contractual requirements. Phase 1 works, with a budgeted amount of \$2.5M should be completed in January, barring unforeseen circumstances such as bad weather or supply chain issues. At that point, construction will only progress based on availability of new funds to continue smooth and uninterrupted construction that enables completion by September 2024. So please donate generously.

As you can see, to-date we have had great success with an amazing team of community volunteers and professionals. We thank the membership for your encouragement, support and patience as we progress with the project through some interruptions and inconveniences with our daily use of the property.

Hope to see everyone at the fabulous Gala on November 11. We will keep you updated of activities. Visit our site at [www.ozcf.com](http://www.ozcf.com) to see construction progress.

May Ahura Mazda always bless our community.

Phil Sidhwa, Chair, PWAC.

## VOLLEY BALL TOURNAMENT

On Sunday Sept 17th, over 100 players came out and showed out their volleyball skills in the 1st Annual OZCF Bring-Your-Own-Team Volleyball Tournament!

We had 13 teams of 7-8 players of all ages. 2 divisions of 6-7 teams competed in a group stage before the top 2 played off in the knockout stages. Playing with elite competition and tough refereeing, we had a final set up between the 'Filthy Foreigners' captained by Zal Nagarwala and 'I'd Hit That' captained by Arvin Namdarian. After a very competitive back and forth between both teams, team 'I'd Hit That' was victorious. Followed by the tournament, players and spectators enjoyed dinner and desert and celebrated another successful OZCF Sports event!

Thank you to all who came out and supported the OZCF Sports Committee! Stay Tuned for more events next year!
